## Biloxi Lighthouse Tour and Visitor's Center Museum

**Monday  
August 29**

## *Guest Spouse* **ACTIVITIES**

Tour the Biloxi Lighthouse, which was erected in 1848 and was one of the first cast-iron lighthouses in the South. It is the city's signature landmark and has become a post-Katrina symbol of the city's resolve and resilience.

The Biloxi Visitors Center, which opened in July 2011 in the shadow of the Biloxi Lighthouse on U.S. 90, fuses the city's architectural heritage with state-of-the-art technology and multi-media exhibits to give visitors and residents alike a feel for the Biloxi of yesterday and today. Besides offering a wealth of information about visitor amenities in Biloxi, the visitors center is also a museum housing nearly a dozen multi-media exhibits that tell the story of Biloxi, its people, its connection to the water and its cultural diversity. You'll find a gift shop offering all sorts of Biloxi memorabilia, with many of the items created by local artists and craftsmen.

## Option One

### Lunch at Mary Mahoney's and visit to the Maritime & Seafood Industry Museum

Enjoy an upscale and elegant meal in one of the South's most unique restaurants, centered around one of the oldest homes in America. Dine in an elegant New Orleans style courtyard under the canopy of a centuries old live oak, where for 50 years, presidents, dignitaries, celebrities, and millions of others have experienced the rich history and legendary cuisine of Mary Mahoney's. Enjoy a historical recounting of the restaurant by Bobby Mahoney.

### **Option Three**

#### **Craft Advisory Brewery Class and Beer Flight**

After exploring and sampling the exceptional cuisine and shopping of downtown Ocean Springs, expand your knowledge on all things craft beer. The brew masters of Craft Advisory Brewery will lead a tour through the process of brewing, as well as some of the chemistry that is happening along the way to make the different flavors, colors, etc. The brief course provides a chance to see, smell, and taste the raw ingredients as well as some of the “beer” at different stages in the brewing and fermenting process. Guests will, of course, responsibly enjoy some of the finished product as well.
